

Name _____

Broke: ESPN Films

1. How did sports salaries change in the 1990's?
2. What do you think contributed to that change? (This is your opinion, its not in the movie)
3. What did many of these athletes lack? (Hint: it's a class many Pueblo seniors are taking)
4. What does it mean to "keep up with the Joneses?"
5. Why do you think that "keeping up with the Joneses" leads to bad money management choices?
6. What are some of the bad investments these athletes made?
7. How could the athletes like Andre Rison and Allen Iverson have prevented personal bankruptcy?
8. What money management lesson could non-millionaires learn from the story of these athletes?
